

LA ADICIÓN

¿Cuántos hay en total?

A diagram illustrating an addition problem. On the left, a rounded rectangle contains 5 bees. Below it is a box with the number 5. To the right of this box is a plus sign (+). In the middle, another rounded rectangle contains 1 bee. Below it is a box with the number 1. To the right of this box is an equals sign (=). Further right, a third rounded rectangle contains 6 bees. Below it is a box with the number 6. The word 'y' is placed between the first and second boxes, and the word 'son' is placed between the second and third boxes.

El primer conjunto tiene 5 elementos

El segundo conjunto tiene elemento

La unión de los dos conjuntos tiene elementos

A diagram illustrating an addition problem. On the left, a rounded rectangle contains 2 beach balls. Below it is an empty box. To the right of this box is a plus sign (+). In the middle, another rounded rectangle contains 3 beach balls. Below it is an empty box. To the right of this box is an equals sign (=). Further right, a third rounded rectangle is empty. Below it is an empty box. The word 'y' is placed between the first and second boxes, and the word 'son' is placed between the second and third boxes.
